Subject: Permission for visit by the senior leadership from Ericsson Research, Sweden, Singapore and India

Dear Sir,

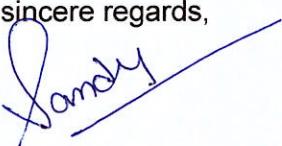

A team of senior leadership from Ericsson Research Headquarter Sweden will be visiting India during the last week of January, 2024. During that time, the team would also like to visit IIT Kharagpur on January 31, 2024 - February 01, 2024. The goal of the visit is to explore areas of collaboration between Ericsson Research and IIT Kharagpur. The purpose also includes the intention of final sign-off on the current discussions with Ericsson Research on the funded projects defined in the areas of (a) Artificial Intelligence and Machine learning, (b) Cloud Systems and Platform, and (c) Radio and Communication.

The following members from Ericsson Research are planning to visit IIT Kharagpur.

- **From Ericsson HQ, Sweden:**
 - Magnus Frodigh – VP and Global Head of Research, Group Function Technology, Ericsson
 - Anders Casper- Director, Academic collaboration, Group Function Technology, Ericsson
 - Mikael Hook – Director, Head of Research Area – Radio, Group Function Technology, Ericsson
 - Mikael Prytz – Director, Head of Research Area – Networks, Group Function Technology, Ericsson
- **From Singapore:**
 - Bo Hagerman - Advanced Technology Director, Group Function Technology Advanced Technology APAC, Ericsson
- **From India:**
 - Kaushik Dey, Research Leader, Research Area – AI ML Data Sciences and Quantum, Group Function Technology, Ericsson
 - Anil Ramachandran Nair, Research Leader, Research Area – AI MR Intelligent Automation, Group Function Technology, Ericsson
 - Rana Pratap Sircar, Research Leader, Research Area – Cloud Systems and Platform, Group Function Technology, Ericsson

We kindly request you to allow us to organize this visit and book the necessary facilities (guest house, auditoriums, etc.) for the visit. Ericsson Research will take care of the travels for their members, and we'll take care of the local hospitalities from our funded projects at SRIC and FDF.

With sincere regards,

SANDIP CHAKRABORTY
Assoc Professor, CSE

SOUMYAJIT DEY
Assoc Professor, CSE

DEBARATI SEN
Assoc Professor, GSSST

Dear Arup,

Thanks a lot for a very quick reply.

As I mentioned in my earlier email that the visitors do not need any invitation/support letter from us for their VISA. The Ericsson office at India will take care of their VISA. Also they do not need any funding support from us.

In such a case, can you please let me know which forms are applicable for them?

Thanks and best regards,
Sandip

Subject: Fwd: Upcoming India Visit by Ericsson Research Leadership to IIT KGP Campus

Dear Sir,

As per the email below from Ericsson Research, the senior leadership from Ericsson would like to visit IIT Kharagpur during Jan 31- Feb 01, 2024, primarily for the following purposes — (1) to initiate a couple of funded projects that we were following up with them, (2) to have a joint workshop with IIT Kharagpur, and (3) to explore the possibilities of future collaborations.

The senior leadership from Ericsson Research (VP and Global Head along with a representative teams from their head office in Sweden) will be traveling to India during that time, and as a part of their India visit, they wish to visit IIT Kharagpur.

While we are working with them to have a detailed planning for their visit and the programmes, we need the following assistance/information from the International cell to kick-start the procedure.

1. Although the Ericsson senior leadership from Sweden will already be in India during that time, do we need any special permission from the institute/ministry for their visit? What would be the procedure for the same? Is there any form that we have to fill up, or should we send an application to the IR office?

2. Ericsson want to have a joint media coverage with IIT Kharagpur, about their visit and initiating the collaboration. What would be the procedure for the same?

Thanks for your assistance, and waiting for your reply on the same. If you think that we should talk to someone to initiate this procedure, it will be good to let us know the contact person from the IR office.

Looking forward to hearing from you.

Best regards,
Sandip

3. Radio
