Dear sir,

The following additional information regarding funding for international travel me please me noted.

Funding information for the IEEE APS DL:

According to the procedure, all charges of the APS DL talk (e.g., flight fare, visa charges, etc.) will be directly reimbursed to the visiting professor, by IEEE APS (IEEE Antenna & Propagation Society).

The other local charges (intercity transportation charges to and from the nearest airport to the hotel, accommodation and meals charges, and local transportation to and from the hotel to the venue of the talk) have to be taken care of by the hosting APS chapter from their annual operating support fund. IEEE Kharagpur section has approved this from the fund received for DLs from IEEE.

Additional note regarding honorarium:

The IEEE APS DL speakers are volunteers of the APS society who provide their services in their volunteering capacity. Thus, the IEEE APS DL is strictly non-profit, and no honorarium has to be paid to the visiting IEEE APS DL speaker.

Regards,
Sarang Pendharker

Dear Professors,

We want to inform you that **Prof. Q. Abbasi**, Applied EM and Sensing, James Watt School of Engineering, University of Glasgow, Glasgow, UK, will be delivering an **APS Distinguished Lecture** on **19th August 2024**. In this regard, it will be great to know if there is any conflict of events on that day.

Note on urgency for the approval: We request you to kindly proceed with the approval at the earliest, as based on the approval the institute will issue the Visa Invitation letter for the speaker. Based on the invitation letter, the VISA application process has to be started from the speaker's side. The approval is also required by the International Relations Office of IIT Kharagpur for issuing the invitation letter.

Title: A next wave of Wireless Communication is Here: How 6G will Evolve and its Enablers?

Presenter: Prof. Q. Abbasi, Applied EM and Sensing, James Watt School of Engineering, University of Glasgow, Glasgow, UK

Date: 19th August 2024.

Time: 5:30 PM IST.

Note: We request you to kindly proceed with the approval at the earliest, as based on the approval the institute will issue the Visa Invitation letter for the speaker.

Tentative budget:

The tentative budget plan for the DML is given below:

Thank you sir for your response, we will be glad to provide you with the financial status of our SBC.

This financial year, we are set to receive 1000\$ from MTTS and 1500\$ from APS societies (Total 2500\$). The request for both these supports are processed. The fund of **1000\$ from MTTS has already been approved** and as per their communication should be **transferred within 8 weeks**. The other 1500\$ is in the final steps of being approved and we hope to get the approval soon.

As the 1000\$ from the MTTS will be received within 8 weeks, we are **ready to host the DL from that fund**.

We are forwarding the communication from the MTTS regarding the fund transfer to the section treasure for record.

I request the Chair and Treasurer to kindly approve the DL.

Best regards,
Rajarshi Sen

It is approved from my side in principle subject to the following:

1. I think some items in the budget needs relook (TGH rate seems to be without GST- is it double or single occupancy?, transportation cost seems to be without GST- especially the airport transfer,)
2. Formal approval from Treasurer.

Keep doing the good work.

Dear Sir,

Thank you for your response.

The faculty advisors: Dr. Sarang Pendharker (IEEE AP-MTTS SBC IIT Kharagpur), Dr. Debdeep Sarkar (IEEE AP/MTTS SBC IISc Bangalore), and Dr. Kumar Vaibhav Srivastava (IEEE APS SBC IIT Kanpur) are in the "cc" list of the email.

We look forward to the approval of this APS DL.

18th August -> Prof. Abbasi arrives at Kolkata airport and moves to IIT Kharagpur campus.

19th August -> Prof. Abbasi's MTTS DML at IIT Kharagpur

20th August -> He travels to IIT Kanpur

21st August -> MTTS DML by Prof. Abbasi at IIT Kanpur

22nd August -> He travels to IISc Bangalore

23rd August -> His third MTTS DML at IISc Bangalore

24th August -> Prof. Abbasi can leave for the UK

Please find attached the DL request form by the three chapters for the three DLs. I look forward to hearing from you in this regard.

Thanks and regards,

Dear Rajarshi,

Please go ahead and plan Dr. Abbasi's DL visit.

I strongly recommend you turn this visit into a tour of 3 student branches in a row with a day or two intervals among them.

Also, please fill in the attached form for all 3 DLs when the schedule is ready.

Thank you.

Dear Sir,

I have talked to the chairs of the Bangalore and Kanpur sections. They are glad to be able to host the APS DL at their respective chapters. Sir, should we form an itinerary according to which we can apply for the invitation letter in our institute? Also, the selected date can be filled in the APS DL request sheet accordingly.

The planning can be done as follows: first arriving at Kolkata (Nearest to Kharagpur, where we are located), then Kanpur, and Finally Bangalore. The return flight can be taken from Bangalore.

Don't hesitate to contact us for further details; we will gladly assist in any way possible. Once the dates are confirmed, we will apply for the Visa invitation letter and the APS DL request procedure using the provided sheets.

Also, Indian institutes require the Distinguished Lecturers not to have a tourist visa. In this regard, we request that you apply for a suitable visa, preferably a conference visa for the DL.

Best Regards,

Rajarshi Sen

Hi

Here is process

. The process is to request a lecture is outlined below:

1. Chapter executives discuss the possibility of hosting a lecture with a DL and agree on tentative dates.
2. Either the Chapter Chair/delegate or the DL requests the lecture tour by filing out the cells in Columns A to L in the spreadsheet (entitled "DL Program Request Form and Report") that can be downloaded from the AP Society website Distinguished Lecture Program Section and emailing it to the DL Program Committee (DLPC) Chair. Status Code in Column A should be 1. Date and Venue can be tentative and Time and Venue Details can be left blank.
3. The DLPC Chair approves the request by email and cc the Society Treasurer or decline the request with reasons.
