

REF: 2223/2024/OIR

Dated: 17.05.2024

Subject: Approval for waiving the one-time application fee (INR 500) for international student applications received through ICCR, SII/EdCIL, ASEAN & AARDO portals.

This is to bring to your kind attention that in the past, the international students applying to IITKGP through the ICCR and SII/EdCIL (Study in India) portals were required to pay an application fee of INR 500. Since many students avoided applying to IITKGP due to this one-time application fee, the one-time application fee was waived off (as in flag -1) to encourage them.

Now there are four portals, namely ICCR, SII/EdCIL, ASEAN & AARDO to apply to IITKGP, it is therefore being proposed to waive off the one-time application fee (INR 500) for all the candidates applying through any of the above four portals / organizations.

Submitted for your kind consideration and approval, please so that the Office of AA&IR may proceed for the further application process of international students willing to join IITKGP.

Dear Sir,

In view of the foreign applications that are received through ICCR and SII/EDCIL (Study In India portal), it has been observed that many of the students do not wish to apply to IITKGP due to the one-time application fee payment (INR 500) that is charged during the time of applying to IITKGP. In order to encourage more foreign students (coming through ICCR & SII/EDCIL portal) to apply to IITKGP, it is, therefore, requested and proposed to kindly waive off this one-time application fee (INR 500) for those students/candidates whose applications are received through any of the above two institutions hereafter (ICCR & SII).

Submitted for your kind consideration and approval, please.

Thanks very much!!
