Subj: Approval of the 'Scholarship Payment' arrangement with Airbus India Private Limited

The draft MoU with 'Airbus India Private Limited' was placed at the MoU Committee meeting on 03rd July, 2024. The committee's resolution was:

"It was observed that since the Agreement deals with scholarship for female students, the formal ratification of the Academic Deans would be required.

Prof. Maiti is requested to obtain the updated and modified document from Airbus and share the documents with the academic deans, after which the document would be sent for the legal cell's vetting. It was maintained that the mutual interest of both the parties be considered before signing of the agreement. Further, the tuition fees and other financial implications would have to be formalized after due consideration."

Following the committee's resolution, Airbus has shared the modified draft (Flag 1). Clause # 2 on 'Scholarship Payment' suggests the following:

Tuition fee per student per year	Total no. of Students	years	Total tuition fee
58500	5	2	585000
Monthly Stipend	Total No. of Students	Months	Total Stipend
10000	5	24	1200000
		Total	17,85,000

Deputy Director is being requested to review the Scholarship arrangement and comment or approve. The draft is also being sent to the Legal Cell for their review.

Madam, if you can please get the amount confirmed by the Academic Section. *Rebbarat Mukhyi*
