Subject: Re: Possibility of Delta's visit to your lab in the 3rd week of November, 2024

Dear Mr. Roy,

Thanks for your response.

I have no problem in seeking the approval of the Director.

But I feel the nature of the visit is misunderstood.

It is clear that some forms are not applicable in this case.

For example:

(1) Request for issuance of visa invitation letter to foreign citizens

Please note that I am not requesting the issuance of visa for Mr. Lin. He has already got his visa.

His company will handle that.

(2) INVITATION LETTER

This person doesn't need any invitation letter from IIT Kharagpur to get visa.

He already has got the visa to come to India. He also wants to visit IIT Kharagpur on his own accord.

You may understand that the visa and other issues are not relevant in this case.

The forms (1) and (2) are for a different category of foreign visitors.

However I can provide the information sought in

(3) FORM FOR MINISTRY CLEARANCE GOVERNMENT OF INDIA FOR VISIT OF FOREIGN NATIONALS TO INDIAN INSTITUTE OF TECHNOLOGY KHARAGPUR, INDIA

If required I can apply to seek permission for the visit in paper along with this form.

Will that be adequate? Please let me know.

Thank you.
