Dated: 12.11.2024

NOTE

Sub: Proposal for Approval of PhD and Master's Admission for Self-Funded International Students.

In order to strengthen internationalization efforts of the Institute, it is proposed that the admission of self-funded students who are citizens of other countries, be approved at the PhD and Master's (M. Tech & M.Sc.) program.

The requisite qualifications for such self-funded students will be at par with the international students taking admission at the PhD and Master's program with ICCR scholarships.

It is observed that previously such self-funded students were offered to join academic programs in 2023. While the undersigned could not locate any formal approval towards the end in the file, copy of some such offer letters could be located in the file and are attached with this note (Flag-i).

Placed for Consideration, please.
